Because safety is my #1 goal at Groomin&Groovin; I believe in humanity before vanity. Any dog with severe body matting will be shaved down with the appropriate blade size.

If your pet is severely tangled or matted, it is a greater risk of injury, stress and trauma. All precautions will be taken. However, problems occasionally arise, during or after grooming; such as nicks, clipper irritation and mental or physical stress.

In the best interest of your pet, we request your permission to obtain immediate veterinary treatment should it become necessary.

I hereby grant permission to this grooming establishment to

obtain emergency veterinary treatment for my pet at my expense. Also, realizing that matted pets have greater chance of injury during grooming. I will not hold Groomin&Groovin responsible for accident or injury to my pet.
